AS UK Government & Politics 3rd Edition

NEW EDITION

BESTSELLER

E-INSPECTION

Authors: Philip Lynch and Paul Fairclough

AS UK Government & Politics (3rd edition) textbook includes facts and data from the 2010 general election and has been completely updated for the new specifications. This accessible book provides unparalleled and up-to-date coverage of the AS course for all exam boards.

AS UK Government & Politics combines informed discussion with up-to-date facts and figures and helps students through their AS course with:

- Definitions of key terms and concepts for in-depth understanding
- What they should know summaries at the end of each chapter for quick revision
- Exam focus sections at the end of the chapter offering source-based exercises relating to the text as well as assignments for extension work
- Free extension tasks, PowerPoint summaries and revision advice available on www.hodderplus.co.uk/philipallan
- UK/US comparison boxes to extend knowledge and stretch and challenge

"...the most up-to-date AS textbook..."

–Politics Teacher, Highgate School

Philip Lynch is a Senior Lecturer in Politics at the University of Leicester and is on the editorial board of Politics Review

Paul Fairclough is an experienced senior examiner and Head of Politics at Wellington College. He is on the editorial board of Politics Review

A2 US Government & Politics 3rd Edition

NEW EDITION

BESTSELLER

E-INSPECTION

Author: Anthony J. Bennett

A2 US Government & Politics (3rd edition) has been written specifically to meet the needs of A2 students following the current US government and politics exam board specifications.

This new edition will help your students understand contemporary topics in US politics. It includes:

- Complete coverage of the 2008 elections
- The new Obama administration
- A completely new chapter on racial and ethnic politics
- Exam board key concepts explained in separate boxes in the relevant chapters
- 'Guide to electronic sources' at the start of each chapter

A2 US Government & Politics (3rd edition) combines authoritative discussion with the latest facts and figures. At the end of each chapter, there are exercises, short-answer questions and essay questions, to test and consolidate understanding of key topics.

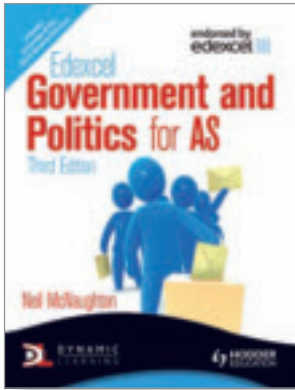

"Bennett's book is very good indeed. He has a superb style that is – at one and the same time – personal, accessible and authoritative."

Edward Ashbee, author and examiner

Anthony J. Bennett, has taught, examined and written on US politics for many years. He is also a frequent speaker at Philip Allan student conferences.

Edexcel Government and Politics for AS 3rd Edition

BESTSELLER

E-INSPECTION

Author: Neil McNaughton

This third edition of the acclaimed and respected politics textbook combines informed discussion, the latest facts and figures, as well as accessible and current coverage of every topic in the Edexcel Government & Politics specification.

Written by an experienced and renowned author, this book contains a wealth of contemporary examples, source-based exercises and web-based activities that will help your students to understand key topics.

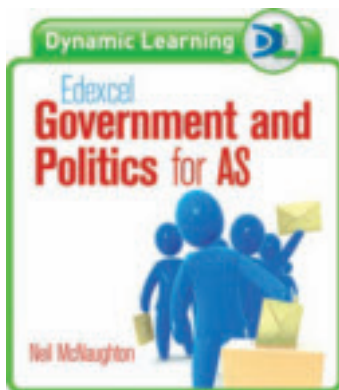

“As a comprehensive textbook that is close to the specification I don’t think McNaughton can be bettered. There is certainly nothing else on the market that comes close.”

Andy Lawrence, Head of Politics

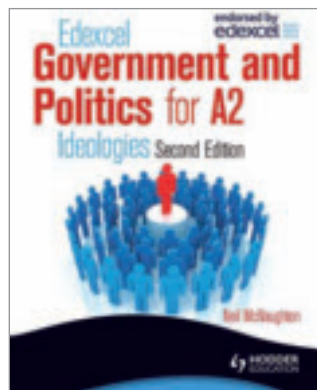

- Endorsed by Edexcel
- Covers the details from the 2010 General Election, including the formation of the Coalition Government
- Features an expanded examination advice section including sample exam questions and answer guidance to help your students achieve exam success
- Offers summaries and explanations of key terms to aid revision
- Closely follows the Edexcel specification so you can be sure all the information you and your students need is included

Neil McNaughton is a former Head of Politics and Economics at University College School, Hampstead, and a principal examiner for a major awarding body

Student’s Book Third Edition • 978 1 4441 1327 3 • 344pp • £19.99

Edexcel Government and Politics for A2: Ideologies

BESTSELLER E-INSPECTION

Author: Neil McNaughton, former Head of Politics and Economics at University College School, Hampstead, and currently a principal examiner

This textbook is the perfect accompaniment to **Edexcel Government & Politics for AS Student's Book** and builds on the work covered at AS level.

Each chapter covers the historical development, core values and main variations of an ideology as well as the key thinkers, principal issues and debates surrounding the ideology and its relevance to contemporary UK politics.

- Endorsed by Edexcel
- Provides full and comprehensive coverage of the Ideologies option, written in a very clear and accessible way for students of all abilities
- Packed with classroom-based activities to stimulate debate and discussion
- Includes numerous sample exam questions and answer guidance to aid student learning and help students to prepare for their exams
- Helps to put the subject into context with summaries and explanations of key terms and key thinkers

Student's Book • 978 0 340 98737 7 • 320pp • £20.99

UK Government & Politics A-Z Handbook (+ Online)

E-INSPECTION

WWW

Author: Paul Fairclough

Editor: Eric Magee

Series editor: Ian Marcousé

The ultimate subject dictionary for the Wiki generation!
From day one... to the night before your exams

- Clear concise entries, related terms and examiner's tips
- Full explanations of important and challenging concepts
- Written by a leading examiner and author

Plus **UK Government & Politics A-Z Handbook** comes with free access to the whole book online, with additional exam support and a desktop widget for definitions at the click of a mouse!

UK Government & Politics A-Z Handbook explains all the key terms A-level students need to know, each entry beginning with a clear definition, followed by an explanation and, where relevant, worked examples and cross-references to other key terms.

For new students – terms and concepts clearly explained

Throughout the course – fuller explanation of important and challenging concepts will help students tackle course assignments with confidence

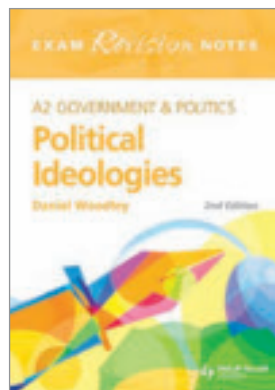

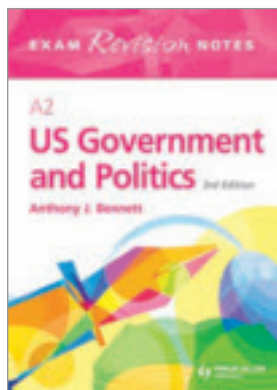

For focused exam revision – detailed revision lists for each exam board and invaluable advice from leading examiners, both online and in the book

You can also support the A-Z Handbooks you buy for your library and departments with an institutional subscription to A-Z Online. From as little as £200 per annum, your institution will have:

- Anytime, anywhere online access to all 14 titles in the series
- Just one account set up for multiple users

AS/A-Level Government & Politics Exam Revision Notes

E-INSPECTION

SERIES

- Ready-made notes to help kick start revision
- Examiner's tips on getting higher marks
- Concise coverage of all key topics in the AS/A-level specifications
- Complete study support for the entire A-level course

Exam Revision Notes provide students with the perfect foundation for successful revision.

AS/A-Level Government & Politics Exam Revision Notes systematically cover core topics common to the main specifications in the form of concise and highly relevant notes. This helps students to identify the areas they need to revise, allowing them time to develop the essential skills of analysis and evaluation.

AS/A-Level Government & Politics Exam Revision Notes will enable students to:

- revise core topics effectively
- prepare a successful revision plan
- learn to identify what they are being asked in the exam
- improve their exam technique and ultimately their grade

AS/A2 Student Unit Guides **BESTSELLER**

Series editor: Eric Magee

Student Unit Guides are perfect for revision: written by examiners they explain the unit requirements, summarise the content and include specimen questions and answers

With these invaluable guides, students can:

- clearly understand what is required of them in the examination
- practise and improve their exam technique with examination-style questions

Each guide contains:

- An introduction, outlining the aims of the AS or A2 qualification and the skills required, and offering strategies for revision.
- Content guidance, providing an examiner's overview of the module's key terms and concepts, and identifying opportunities to exhibit the skills required by the unit. This section shows students what they have to learn and how they might analyse and evaluate topics.
- Questions and answers, with graded answers to questions which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

Advanced Topic Masters

E-INSPECTION

SERIES

Series editor: Eric Magee

For students who are serious about getting the best possible grade in A-level government & politics, **Advanced Topic Masters** will help to:

- stretch and challenge their understanding of more complex topics
- make best use of up-to-date analysis and data
- improve coursework and exam preparation through specially tailored exercises

Each title explores the key theories, research studies, questions and debates surrounding the topic and then helps students develop their skills of analysis, interpretation and evaluation through a series of short source-based **Tasks** that appear in each chapter.

Advanced Topic Masters are illustrated, with full colour photographs, charts, tables and diagrams.

2011 Annual Surveys

NEW

E-INSPECTION

Essential reading for AS and A2 Government & Politics students, the **2011 Annual Surveys**:

- review events and developments in politics throughout 2010, including the UK general election, the UK coalition government, the US midterm elections, and Obama's first two years
- update students and teachers on the work of political institutions
- give a fascinating insight into political life in Westminster and on Capitol Hill

Published at the beginning of this year to include the latest political news and events and up-to-date facts and figures, the Surveys explain the developments that every student needs to know about UK and US politics. They are an invaluable read for any student who wants to impress the examiner.

UK Government & Politics Annual Survey 2011

A2 US Government & Politics Student Workbooks

Author: Kay Moxon

Series editor: Eric Magee

- Topic-based material, relevant to all new specifications
- Instant exercises to test understanding and skills
- Flexible and easy to use with extension work, classwork, homework and revision
- Saves invaluable preparation time
- No photocopying required

Student Workbooks support your teaching and help your students' skills development.

Each full-colour workbook is divided into a number of topics on the subject area. An overview of the topic is followed by a series of questions and activities for students to test their understanding and the different skills required.

Answers to the exercises are provided in a separate Teacher Notes booklet.

Student Workbooks are sold in sets of 5 and 10 with one copy of the Teacher Notes per set.

AS/A-Level Teacher Resource Packs

 CD-ROM

Series editor: Eric Magee

Planned lessons that leave you time to teach

- Save hours of preparation time
- Offer opportunities for skills development
- Help to introduce a more student-centred learning approach
- Enable students to work with minimal supervision
- Can be adapted in the event of staff absence

Suitable for all specifications, each pack comprises a number of teaching units covering the major topics in the subject area (a new edition of the AS UK Government and Politics Teacher Resource Pack has recently been published to include the 2010 general election). Each unit contains sufficient material for at least 1 hour of contact time. Material for students is provided on photocopiable worksheets.

Extensive teacher's notes review the aims of each unit, discuss teaching strategies and provide answers to worksheet questions. The teacher's notes also suggest how certain units can be adapted for use in the event of specialist staff absence.

The aim throughout all these packs is to emphasise the development of skills as well as the content, using a variety of approaches ranging from exercises based on supported self-study and discussion, to more practical activities, developed from ideas tried and tested in the classroom.
