Why the world’s top international schools choose Hodder Education

1. Expert
We have been publishing for Cambridge qualifications for over 20 years – giving us a wealth of experience that we transfer into our range of services.

2. Local
Last year we provided educational services to schools in 140 countries via our network of global representatives. We always endeavour to provide the resources that are right for your classroom, not just the syllabus you teach.

3. Comprehensive
In this catalogue you will find 124 resources across 4 levels and 15 subject areas – we are constantly innovating and looking for new ways to support schools.

4. Supportive
With teacher workshops, digital resources and more alongside our traditional textbooks we offer the widest variety of services to Cambridge schools.

5. Quality
Our resources are widely used by the world’s top international schools where 90% or more of their students achieve the top grades.
