About Hodder Education

Hodder Education has been working with schools, colleges, expert authors and awarding organisations for many years to create quality print and digital resources and deliver exceptional teacher training and revision events.

We provide:

- Market-leading, award-winning resources for over 30 subjects, covering teaching, learning, CPD and revision
- Support for GCSE and A-level students with 16 Review Magazines across different subjects
- Innovative digital products, including eTextbooks, Teaching & Learning and Exam Question Practice resources, that work flexibly together
- Coverage for KS3, GCSE, IGCSE, IB and A-level and numerous vocational qualifications, supporting teaching and learning throughout the world

This course guide features all of our Child Development CPD training events that will equip everyone with the skills required to progress and achieve success.

Save 20%*

on all teacher workshops until 01/10/18 – simply use discount code WO0002944

*Terms and conditions apply. UK and European educational establishments only. Orders must be placed by 01/10/2018 using discount code WO0002944. This discount code is not valid in conjunction with any other offer and cannot be applied retrospectively. Discount only applies to Teacher Training days and excludes Teacher Webinars, Student Webinars and Conferences.

How we can help

We know that every classroom need is different, which is why we currently offer a range of opportunities from face-to-face events and webinars to bespoke in-school training.

Face-to-face: Regional events

From Teacher Workshops to Student Conferences, our regional events cover the whole spectrum of teaching and learning, with ideas and resources that you and your students can use immediately.

Online: Teacher and student webinars

These interactive sessions are a cost-effective way of training, offering classroom-ready resources and 6 months access to the webinar recording, meaning you can view them on-demand as many times as you need.

IN-SCHOOL Bespoke training

Is there a CPD workshop that you wish to attend but find it a struggle to leave the classroom? Or is there a particular area you are looking for support with? Why not 'host' an event or a more tailored workshop at your school on a day that suits you and your colleagues.

None of the events in this brochure are official AQA events and therefore the views and messages shared are not representative of AQA. For more information about the specification and official events, please visit www.aqa.org.uk. If printed or digital copies of AQA material are required for any events, you will receive confirmation of what you need to bring prior to the event

Develop your delivery of the ORC Cambridge Nationals L 1/2 Child Development

Course leader: Anita Hardy

Manchester: Friday, 1 March 2019

Central London: Monday, 4 March 2019

Course fee: £249 + VAT

Booking Ref: CD010319 / CD040319

Improve your delivery of the new specification and maximise your students' grades by joining Anita Hardy on this development course. Gain an in-depth look at what the exam board requirements are and an understanding of the key subject matter that is required, including the depth and detail needed for each mark band.

This course clarifies your understanding of the internally assessed units R019 and R020, focusing on the parameters around the grading criteria grid. With the use of exemplar materials, delegates will have the opportunity to assess various criteria from both units and compare these to Pass, Merit and Distinction standards.

- Understand assessment requirements to better prepare students of all abilities
- Know the key subject matter that is required and the depth and detail for each mark band
- Explore exactly what your students need to produce to be successful

Attend this course and receive a free copy of Cambridge National Level 1/2 in Child Development worth £21.99

Changing mindsets: Adopting Growth Mindset in your school

Jenna Downing & Tim Guilford

Central London: Wednesday, 14 November 2018

Course fee: £249 +VAT

Booking Ref: MINDF141118

Explore how you can encourage your pupils to become confident and resilient learners by developing your own understanding of growth mindset. Be guided through what a well-implemented whole school mindset programme looks like and discover how to put it into practice to drive improvement in your school.

- Hear evidence-based research showing how a growth mindset leads to better outcomes for students
- Look at the theory and how to put it into practice to drive improvement in your school
- Focus on what growth mindset is, how to bring staff on board to embed it at the heart of all that the school does, what you need to do with the students, and how to plan for change at whole-school level

Attend this course and receive a £25 voucher to spend on Hodder Education books

10.00am	Registration and coffee
10.15am	What is Growth Mindset? The big picture <ul style="list-style-type: none"> • Jenna's experience • The research, the outcomes and the impact • Yourself as role models
11.15am	Morning coffee
