Have your cake and eat it!

How to get points:
The Hodder Education Loyalty Scheme is an easy way for you to be rewarded for things you already do on our website. When you complete simple activities on our website you will earn points, which are shown as slices of cake. **Points mean rewards!** Here’s what some of our activities will give you:

- **Submit a review** ☛ 3 slices
- **Share content** ☛ 2 slices
- **Order a free einspection copy** ☛ 2 slices
- **Download a free document** ☛ 1 slice
- **Submit feedback** ☛ 2 slices
- **Sign up for eUpdates** ☛ 1 slice

**More cake, bigger discount!**

You need to gain 10 points/slices of cake to get to Level 1 and your first reward, which will be emailed to you. You can then start collecting slices again to reach Level 2.

The points you earn translate into discounts. You’ll be emailed a discount code which you can use to purchase online. And, for the cherry on the top, you’ll also get a bonus present!

Reinforce students’ understanding throughout the course: clear topic summaries with sample questions and answers will help to improve exam technique to achieve higher grades.

The first section, Content Guidance, summarises content needed for the exams, with knowledge-check questions throughout. The second section, Questions and Answers, provides samples of different questions and student answers with examples of how many marks are available for each question. Students can:

- Identify key content for the exams with our concise summary of topics
- Find out what examiners are looking for with our Questions and Answers section
- Test their knowledge with rapid-fire questions and answers
- Avoid common pitfalls with clear definitions and exam tips throughout
- Reinforce their learning with bullet-list summaries at the end of each section

You may already know that Hodder Education provides high quality print and digital resources for teachers and students. What you may not know is that we also run teacher CPD and student revision events in venues across the UK, online and even in your own school, with webinars and bespoke in-school training throughout the academic year.

Our Economics events are led by highly experienced examiners, authors and teachers. We also offer Student Revision Days focusing on developing students’ knowledge of Economics and their ability to apply this in the key topic areas. Students will have the opportunity to quiz the experts and discover strategies to help them effectively approach the papers. Our diverse speaker panels will inspire your students for A-level and beyond.
