Progress in Reading and Language Assessment (PiRA)

for Key Stage 3

- Monitor progress as students begin to develop and build the skills needed for GCSE

- Performance indicators – compare performance within the standardisation sample and understand whether attainment is above, below or within the national average
- Reading ages – get a measure of attainment against the age at which the student’s performance is typical
- Hodder Scale scores – allow fine monitoring of progress and prediction of future performance

All PiRA tests come with FREE online gap analysis and reports on MARK (My Assessment and Reporting Kit) to help guide planning, teaching and intervention.

Key information:

- Age range: 11 to 14 years
- Number of tests: Three per year group (one per term) from Year 7 to Year 9

AQA GCSE (9–1) English Language

Series Editor: Keith Brindle
Authors: Susan Aykin, Keith Brindle, Steve Eddy, Najoud Ensaff, Robert Francis, Sarah Forrest and Harmeet Matharu

Grades 1–5 and Grades 5–9 Student Books

“The chapter on comparisons and synthesising information in the Grades 5–9 book is very well written. It takes students through the structure beautifully, so they learn to compare, not just repeat information.”

“It’s the questions and the exemplars that the students like the most about the textbooks. As well as the lower grades, they have a lot of grade 9 examples, which is particularly useful.”

Head of English, Magdalen College School, Northamptonshire

Target grade improvement at every level and enable each student to reach their potential by boosting the knowledge and skills they need to meet the demands of the AQA GCSE English Language examinations.

- Focus completely on exam preparation and success as you are led question by question through both exam papers
- Deliver higher levels of improvement and lift student performance with examiner insight that explains exactly what the examiner is looking for in each question
- Differentiate your teaching for varying ability levels with two tiered Student Books:
  - Grades 1–5 teaches and develops the exam skills students need, using accessible, less-daunting texts with extra help to break down the questions
  - Grades 5–9 includes more challenging texts, extending students’ knowledge and targeting the top grades
- Build students’ confidence and ensure readiness for exam conditions with practice questions, annotated and graded student responses and examination tips
- Enhance students’ reading skills through extensive practice for exam questions on 19th century texts

We did not submit these resources to AQA for approval. Instead, our author team of senior examiners and teachers matched these resources to the 2015 specification.
