Why book with us?

At Hodder Education, we work closely with schools, authors and trainers to create high-quality on-demand packs and deliver exceptional teacher training.

- Delivered by trainers that you know and trust
- Over 7,000 teachers trusted us with their CPD requirements last year
- Programmes built around the DfE's standard for teachers' professional development framework
- All online events are shared with you to watch whenever, wherever, for up to 6-months.

We know that every classroom need is different which is why we have expanded our opportunities to ensure you and your students can access our Geography training and revision in a way that works for you.

All of our events are not official exam board events and therefore the views and messages shared are not representative of the exam boards. For more information about the syllabuses and official events, please visit the relevant websites.

Live events and On-Demand Packs from Hodder Education

REGIONAL EVENTS

Following the latest COVID-secure guidelines, our regional workshops are developed and delivered by the leading experts that you know and trust. Visit hoddereducation.co.uk/COVID-secure for our up-to-date plans for keeping you safe.

BUILD YOUR OWN EVENT

Host a bespoke event (either in-school or online) and invite local schools or centres in your academy chain to attend. Visit hoddereducation.co.uk/bespoke-events to find out more.

CPD RESOURCE PACKS & ON-DEMAND STUDENT WEBINARS

Our instantly downloadable packs and On-Demand Student Webinars are a fantastic way to access training/revision anytime and anywhere, meaning you and your students can take control of your learning at a time and place that suits you.

ONLINE TEACHER WORKSHOPS AND WEBINARS

Take part in interactive live CPD that's core focus is on improving and evaluating student outcomes. Can't attend live? You can still book! All registered teachers receive both recordings to watch as many times as you want, for up to 6 months.

Dorset's Jurassic Coast: AQA GCSE 360° Immersive Coastal Landscapes Case Study CPD Pack

Pack authors: Bob Digby, David Holmes & Lesson House Field Centre

Digital download

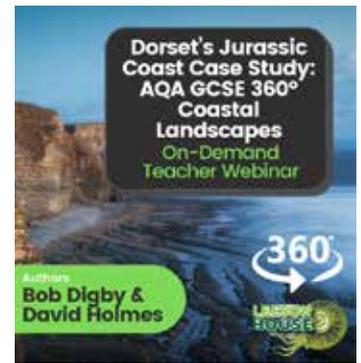

Pack fee: £100 + VAT

ISBN: 9781398340732

Deliver confident lessons on the Dorset coastline with complete confidence by joining our virtual tour of the Jurassic Coast, supported by experts from Leeson House Field Centre.

A 'must' for everyone delivering the AQA GCSE Geography Coastal Landscapes in the UK option, this CPD resource pack, containing a 90-minute webinar, will:

- Cover the essential content, concepts and themes that students need to understand in terms of physical coastal processes
- Offer an example of a section of coastline showcasing landforms of both erosion and deposition
- Help you bring the coastal environment to life through a 360° virtual tour of classic locations (including Studland, Swanage, Lulworth Cove and Chesil Beach)

AQA GCSE (9-1) Geography: Guided Assessment Practice Pack

Pack authors: Keith Bartlett & Sarah Wheeler

Digital download

Pack fee: £150 + VAT

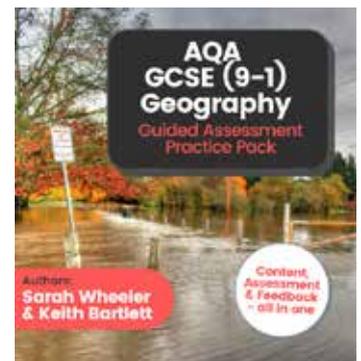

ISBN: 9781398343269

Written by the leading experts that you know and trust, this Guided Assessment Practice Pack will provide you with a time-saving, downloadable resource that will ensure your students continue to develop the skills and techniques required for course success, and beyond.

Perfect for in-class and remote learning, this resource includes a student-focused guided audio tour through the key content and the different exam style questions, as well as two printable question papers with accompanying mark schemes that can be used to assess understanding, highlight gaps in knowledge and record student progress. It also includes follow-up presentations with audio commentary that provides feedback on the practice question papers for your students to review model answers and common pitfalls.

This accessible, clear and thorough pack is split into 3 components:

- 3 x PowerPoints enhanced with audio commentary that guides students through the key content and explains how to approach the different question types
- 2 x practice question papers (one for Paper 1, one for Paper 2) with two accompanying mark schemes
- 2 x follow-up PowerPoints with audio commentary that provides feedback on the practice question papers, including model answers and common pitfalls

ONLINE WORKSHOP

PEARSON EDEXCEL

GCSE A

How to teach Pearson Edexcel GCSE (9-1) Geography A

Pearson Edexcel GCSE (9-1) Geography Specification A: Core contents and tricky topics

Digital download

Webinar fee: £110 + VAT

ISBN: 9781398346871

- Focus on some tricky topics in Physical and Human Geography
- Investigate important global and UK themes
- Review key case studies

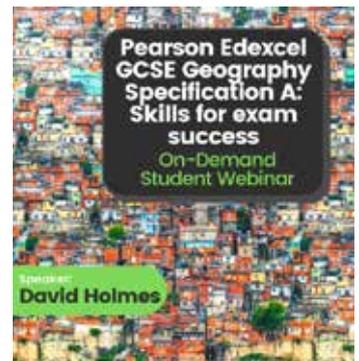

Pearson Edexcel GCSE (9-1) Geography Specification A: Skills for exam success

Digital download

Webinar fee: £110 + VAT

ISBN: 9781398346857

- Focus on interpreting data stimulus resources, using evidence and answering shorter questions
- Explore how to respond to longer questions with 6-, 8- and 12-mark tariffs including the command words 'assess' and 'evaluate'
- Examine the decision-making skills that are usually required for Paper 3

About the experts

Bob Digby

Bob is Honorary Treasurer of the GA and is a former President, having been on its Board of Trustees since 2010. He taught for a total of 35 years, 24 of them in three schools (two as a head of Department), and 11 in Sheffield, Manchester and Brunel Universities as a PGCE Geography / Education lecturer. He now freelances, including writing for and editing a wide variety of school textbooks for both GCSE and A-level markets; leading CPD for Hodder Education; offering a range of fieldwork and other student-facing sessions including revision; leading practical sessions with PGCE students about assessment; and examining across a range of examinations at GCSE and A-level.

David Holmes

David is a curriculum designer, fieldwork advocate and senior examiner as well as a lover of geography. As an ex-teacher and author, he is a long-standing member of the GA and FSC, and has delivered 100s of teacher and student events for Hodder Education. David is a facilitator for student courses, leading sessions on student knowledge and revision, across the GCSE and A-level curriculum.

The Hazards Student eConference

eConference speakers: Cameron Dunn, David Redfern, Professor Iain Stewart, Professor Fiona Tweed & Sue Warn

Digital download
eConference fee: £150 + VAT
ISBN: 9781398340251

It's a different world since we hosted over 1,500 students at the 2019 Hazards Day. Nevertheless, we're determined to bring our panel of experts to your classrooms with 6 amazing talks about contemporary themes in Geography.

Our pack of immersive pre-recorded lectures will bring real-world insights to your students that they can apply in their exams – such a rich and diverse panel of speakers is not to be missed so ensure that you purchase a pack for your school.

This downloadable pack contains links to 6 lectures that can be shared with your students and watched in class, at home or on any mobile device. Please note: The videos are hosted online and will expire on 31st December 2021.

What's included:

- Trends and Risks: rising or falling? (Suitable for AQA A-level students) – Cameron Dunn
- Tectonic hazard and disaster trends: an analysis – Cameron Dunn
- From hazard to disaster – when size doesn't always matter – David Redfern
- A student's guide to the fundamentals of plate tectonics – Professor Iain Stewart
- Playing with fire? Living with volcanic risk – Professor Fiona Tweed
- Techniques for writing a top scoring hazard essay – Sue Warn

TEACHER WEBINAR

AQA A-level Geography: Helping students to secure a C grade or above

Webinar trainers: Stephen Durman & Sally Sumpter

Online: Wednesday, 29th September 2021

Webinar fee: £85 + VAT

Booking reference: GEA290921

Many students will have had disrupted classroom time in 2020 and 2021 and may not have engaged well, or been unable to engage fully, in remote learning.

This Teacher Webinar will explore strategies to help boost grades and provide plenty of tips for preparing students to achieve a C in their A-level assessment.

- Emphasis will be placed on the skills needed to read, understand and answer all types of exam questions under time pressure, with sample essays and data response exemplars to understand the depth required to reach the highest grades
- Examine approaches on how best to enthuse and motivate students, and resources that can be implemented immediately in lessons
- All registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

TEACHER WEBINAR

Supporting your AQA A-level Geography Year 13 students ahead of the 2022 assessment

Webinar trainers: Stephen Durman & Sally Sumpter

Online: Thursday, 14th October 2021

Webinar fee: £85 + VAT

Booking reference: GEA141021

Join leading experts Stephen Durman and Sally Sumpter on this Teacher Webinar to focus on how you can support your students to make rapid progress after two disrupted years.

Attend live and/or watch the recording to explore plenty of strategies and tips to help you cover the remaining course content, set students up for success with the NEA and prepare them for A-level assessment.

- Explore ways to maximise exam performance with your Year 13s and discuss common issues that students may face
- Explore approaches on how best to enthuse and motivate students, and resources that can be implemented immediately in lessons
- Focus on the skills students need to read, understand and answer all types of exam questions under time pressure and explore sample essays and data response exemplars to understand the depth required to reach the highest grades

5.30pm	The NEA coursework <ul style="list-style-type: none"> • Lessons learned so far • The ethical dimension in fieldwork • Quality approaches to data analysis and interpretation • The challenges of writing evaluations and conclusions • Recommendations and sample marking
6.00pm	Webinar ends

AQA A-level Geography: Guided Assessment Practice Pack

Pack author: Sally Sumpter

Digital download

Pack fee: £150 + VAT

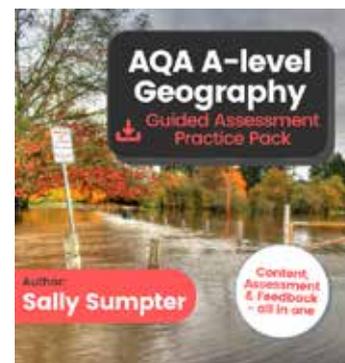

ISBN: 9781398343771

Written by leading expert Sally Sumpter, this Guided Assessment Practice Pack will provide you with a time-saving, downloadable resource that will ensure your students continue to develop the skills and techniques required for course success, and beyond.

Perfect for in-class and remote learning, this resource includes a student-focused guided audio tour through the key content and the different exam style questions, as well as a printable question paper. It also includes a follow-up presentation with audio commentary that provides feedback on the practice question paper for your students to review model answers and common pitfalls.

This accessible, clear and thorough pack is split into 3 components:

- A 55-slide PowerPoint enhanced with audio commentary that guides students through the key content and explains how to approach the different question types
- A practice question paper – contains one of each question types, with a mix of Human and Physical topics
- A follow-up 40-slide PowerPoint with audio commentary that provides feedback on the practice question paper, including model answers and common pitfalls

Building students' confidence: AQA A-level Geography On-Demand Webinars

Webinar trainers: Dr. Claire Evans & David Redfern

Provide your students with access to our expert-led On-Demand Webinars that will develop their understanding and build their confidence with particular topics.

Use our pre-recorded webinars flexibly for lessons, homework or remote learning. Students can watch them as many times as they like, with access until 31st December 2021. The webinars lasts 90 minutes but there are regular opportunities to pause and reflect. Activities are provided throughout for students to complete, so the full resource will take between 2 and 2.5 hours to work through.

11.20am	Exams and assessment <ul style="list-style-type: none"> • Questions, command words, mark tariffs and mark schemes: Understanding and using them • Point versus levels-based marking, practical application advice and how to provide feedback
12.05pm	Comfort break
12.10pm	Fieldwork and coursework skills <ul style="list-style-type: none"> • Understanding when and where to undertake fieldwork, linked to assessment and to support teaching • The demands of the NEA at A-level
1.00pm	Workshop ends

Pearson Edexcel A-level Geography: Supporting Year 13 students ahead of the 2022 assessments

Webinar trainers: Bob Digby & Cameron Dunn

Online: Wednesday, 13th October 2021

Webinar fee: £85 + VAT

Booking reference: GE0131021

How has the 2020-21 disruption to learning impacted your Year 13 students? Join trusted experts Bob Digby and Cameron Dunn on our 120-minute Teacher Webinar to discuss, plan and build a plan to support your students in the final year of their A-level.

- Review the qualities and skills that students need to excel in their studies and explore strategies to reinforce them
- Focus on exam skills, content gaps and their importance as well as issues such as fieldwork and the NEA – your chance to focus on what will really impact performance in 2022
- All registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

3.30pm	Introductions and sound checks
3.35pm	The keys to success? <ul style="list-style-type: none"> • Is it content or is it skills? What are the real determinants of success at A-level and how can we focus on these, and still keep lessons inspirational and exciting?
4.10pm	Mind the gap <ul style="list-style-type: none"> • Consider the gaps that have appeared - exam skills and practice, content, fieldwork and others • Which gaps should you focus on, and how best to apply solutions?
4.30pm	NEA coursework update and support <ul style="list-style-type: none"> • An update on coursework requirements for 2022 • How best to support students in terms of realistic aims and data collection to maximise performance, meet mark scheme and hit the guidance requirements
5.00pm	NEA coursework update and support <ul style="list-style-type: none"> • An update on coursework requirements for 2022 • How best to support students in terms of realistic aims and data collection to maximise performance, meet mark scheme and hit the guidance requirements
5.30pm	Webinar ends

ONLINE WORKSHOP

Pearson Edexcel A-level Geography: Improving Grades E-C

Workshop trainers: Bob Digby & Cameron Dunn

Online: Wednesday, 10th November 2021

Workshop fee: £150 + VAT

Booking reference: GEO101121

During this online workshop, you will hear from Bob Digby and Cameron Dunn on how you can support the needs of students who are looking at grades in the E-C range.

- Explore how you can support weaker students who can sometimes be overlooked in the drive for A/A* grades, but often a little work can yield significant performance improvement especially in Year 13
- Focus on practical ways to support grade E-C students and improve their performance in their assessments
- All registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

PEARSON EDEXCEL

A-LEVEL

9.30am	Introductions and sound checks
9.35am	E-C grade candidates and their qualities <ul style="list-style-type: none"> • What does E-C grade assessment work actually look like, and how does a C differ from an E? • Examine the weaknesses and strengths of students to better understand their needs
10.15am	Comfort break
10.25am	Improving AO2 and AO3 skills <ul style="list-style-type: none"> • Focus on why AO2 skills are crucial to success, but can be hard to develop as weaker candidates fall back on AO1 knowledge and understanding • Consider approaches to help improve data stimulus and evaluation skills including how to give feedback that helps students
11.10am	Comfort break
11.20am	And in the exams... <ul style="list-style-type: none"> • Focus on question interpretation, unpicking question meaning and using structures and toolkits to help gain marks across the AOs • Consider approaches to all three papers
12.05pm	Comfort break
12.10pm	Supporting realistic coursework <ul style="list-style-type: none"> • This session will look at the 'good, bad and ugly' of NEAs to help you understand how to nudge E-C students towards achievable goals that also have headroom for higher grade achievement
1.00pm	Workshop ends

ONLINE WORKSHOP

Pearson Edexcel A-level Geography: New case studies and themes for Year 12

Workshop trainers: Cameron Dunn & David Holmes

Online: Wednesday, 24th November 2021

Workshop fee: £150 + VAT

- Can't attend live? You can still book! Take advantage of our anytime, anywhere access – all registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

PEARSON EDEXCEL

A-LEVEL

9.30am	Introductions and sound checks
9.35am	Climate change and its tentacles <ul style="list-style-type: none"> • An update on the latest IPCC Global Warming projections, plus a review of the expected impacts of global warming on both people and the environment • Examining progress towards emissions reduction targets, and a consideration of the changing sources of GHG emissions
10.15am	Comfort break
10.25am	Globalisation and the Changing World Order <ul style="list-style-type: none"> • Is the world de-globalising, or has the process just slowed? This session will also consider what our teaching response to the pandemic should be • We will also consider the BRICs, 20 years on from the first use of the term
11.10am	Comfort break
11.20am	The Carbon Cycle and Energy Futures <ul style="list-style-type: none"> • Do renewable sources and battery technology represent an energy revolution, or are they just window-dressing a fossil fuel world? • This session will provide an update on energy exploitation and use, linked to the Carbon Cycle concept
12.05pm	Comfort break
12.10pm	Tectonic Hazard case studies <ul style="list-style-type: none"> • A chance to review some recent events, with a view to replacing some old favourite case studies with some newer ones
1.00pm	Workshop ends

Pearson Edexcel A-level Geography: Aiming for an A/A*

Workshop trainer: Cameron Dunn & David Holmes

Online: Friday, 3rd December 2021

Workshop fee: £150 + VAT

Booking reference: GEO031221

How can you and your colleagues support B-grade and A-grade students progress up the ladder of success? This online workshop will provide you with a clearer understanding of what an A / A* looks like in terms of marks in the exams and performance on the NEA.

- Boost your understanding of how to prepare students to show off their skills and understanding across a range of examination question styles
- Consider what a top-level NEA looks like, and gain a bank of ideas for developing synoptic thinking, and complex resource interpretation for the Paper 3 Issues Analysis
- All registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

9.30am	Introductions and sound checks
9.35am	The A / A* candidate <ul style="list-style-type: none"> • A chance to consider the marks the top candidates need to aim for, as well as the characteristics and skills needed to achieve these marks • How to encourage joined-up thinking and the use of specialist concepts
10.15am	Comfort break
10.25am	Assessment and question styles for Papers 1 and 2 <ul style="list-style-type: none"> • Addressing the demands of the top bands in mark schemes for data stimulus, short and longer essay questions • There will be a particular focus on evaluation and higher order thinking skills
11.10am	Comfort break
11.20am	Paper 3 and synoptic thinking <ul style="list-style-type: none"> • Focus on how to answer the 'analyse' questions with the appropriate level of detail and interpretation • Detailed consideration of how to make a strong, evidenced, synoptic, evaluative case in the 18- and 24-mark questions
12.05pm	Comfort break
12.10pm	The NEA coursework <ul style="list-style-type: none"> • This session will consider a wide range of aspects of the NEA, from the initial set-up to ensure sufficient demand to encouraging unusual and innovative approaches to data collection and analysis
1.00pm	Workshop ends

GUIDED ASSESSMENT PRACTICE PACK

PEARSON EDEXCEL

A-LEVEL

Pearson Edexcel A-level Geography: Guided Assessment Practice Pack

Pack author: Cameron Dunn

Digital download

Pack fee: £150 + VAT
