Why book with us?

At Hodder Education, we work closely with schools, authors and trainers to create high-quality on-demand packs and deliver exceptional teacher training.

- Delivered by trainers that you know and trust
- Over 7,000 teachers trusted us with their CPD requirements last year
- Programmes built around the DfE's standard for teachers' professional development framework
- All online events are shared with you to watch whenever, wherever, for up to 6-months.

We know that every classroom need is different which is why we have expanded our opportunities to ensure you and your students can access our Sport & PE training and revision in a way that works for you.

Supporter of

All of our events are not official exam board events and therefore the views and messages shared are not representative of the exam boards. For more information about the syllabuses and official events, please visit the relevant websites.

Live events and On-Demand Packs from Hodder Education

REGIONAL EVENTS

Following the latest COVID-secure guidelines, our regional workshops are developed and delivered by the leading experts that you know and trust. Visit hoddereducation.co.uk/COVID-secure for our up-to-date plans for keeping you safe.

BUILD YOUR OWN EVENT

Host a bespoke event (either in-school or online) and invite local schools or centres in your academy chain to attend. Visit hoddereducation.co.uk/bespoke-events to find out more.

CPD RESOURCE PACKS & ON-DEMAND STUDENT WEBINARS

Our instantly downloadable packs and On-Demand Student Webinars are a fantastic way to access training/revision anytime and anywhere, meaning you and your students can take control of your learning at a time and place that suits you.

ONLINE TEACHER WORKSHOPS AND WEBINARS

Take part in interactive live CPD that's core focus is on improving and evaluating student outcomes. Can't attend live? You can still book! All registered teachers receive both recordings to watch as many times as you want, for up to 6 months.

GCSE

Kickstarting Coursework in AQA GCSE (9-1) PE

Webinar trainer: Ross Howitt

Online: Thursday, 23rd September 2021

Webinar fee: £110 + VAT per classroom

Booking reference: PEA230921

Set your students on track for coursework success by building their confidence and demystifying all aspects of the NEA.

This webinar will provide students with clear, direct and engaging advice on how to approach the Non-Examined Assessment component, guiding them through the non-negotiables of both the analysis and evaluation.

- Students will hear expert guidance on how to get started and progress quickly with their analysis and evaluation coursework
- Leading PE author and speaker, Ross Howitt will focus on boosting students' confidence and motivate them by providing clarity, focus and a simple pathway to follow in order to kickstart their written coursework
- Register for one place and receive 3 log-ins to stream the webinar in separate classrooms, supporting bubbles requirements; you will also receive the full recording to share with your students to watch again

3.00pm	Introductions and sound checks
3.05pm	Kickstarting the analysis and evaluation coursework <ul style="list-style-type: none"> • Overview of what the coursework involves • Avoiding common mistakes from the start • The analysis – what to do, how to do it and how to access the highest marks (including key tips for success) • How to link the evaluation to the analysis so that a high standard flows the whole way through the work
4.00pm	Webinar ends

ONLINE WORKSHOP

AQA

GCSE

Understanding standards and marking practice for AQA GCSE (9-1) PE

Workshop trainer: Ross Howitt

Online session 1: Thursday, 7th October 2021

Online session 2: Thursday, 14th October 2021

Workshop fee: £150 + VAT

Booking reference: PEA071021

Strengthen your own understanding of the marking standards by joining leading expert Ross Howitt to consider the principles which underpin marking and how to develop a best practice in your department.

This 4-hour workshop, split across two afternoons, will provide you with a bank of exemplar responses that you'll mark and review with Ross and like-minded teachers, plus offer you the opportunity to clear up misconceptions with marking.

- Focus on what the golden rules are and how to mark accurately within your whole department
- Pay special attention to the 6- and 9-mark questions in order to ensure student progress is being monitored accurately
- Receive an analysis of how marks have been awarded and develop an informed marking policy for GCSE (9-1) PE
- Take advantage of our anytime, anywhere access – all registered teachers receive both recordings to watch as many times as you want, for up to 6 months

Session 1: Thursday, 7th October 2021

4.00pm	Introductions and sound checks
4.05pm	Marking rules and exemplars which are pre-marked <ul style="list-style-type: none"> • Golden rules and good practice • Looking through pre-marked responses and developing an understanding of standards
5.00pm	Extended questions <ul style="list-style-type: none"> • Marking 6- and 9-mark questions • Coming to an informed mark in extended questions – making use of examples
5.50pm	Provision of sample pieces of work to be marked prior to the next webinar
6.00pm	Session ends

Session 2: Thursday, 14th October 2021

4.00pm	Welcome back and sound checks
4.05pm	Looking through the papers that have been marked <ul style="list-style-type: none"> • What they achieved and why they were awarded that grade • Feedback on 6- and 9-mark responses (why were the marks awarded?) • Lessons to be learnt and how to develop best practice in the department
6.00pm	Workshop ends

AQA GCSE (9-1) PE: Boosting students' chances of achieving higher grades

Workshop trainer: Ross Howitt

Online session 1: Tuesday, 12th October 2021

Online session 2: Tuesday, 19th October 2021

Workshop fee: £150 + VAT

Booking reference: PEA121021

Meet the individual needs of each student as you discover teaching strategies to support, challenge and guide them towards aiming, and achieving, the highest possible grade.

This workshop is split into two 2-hour sessions, one week apart, so you have the chance to implement what you learn in Session 1 and reflect on the outcomes in Session 2.

- Focus on 'quick wins' and strategies that you can put in place immediately
- Gain a clear, focused blueprint to boost your students with low prior attainment up towards the 4-6 grade category and the upper end students towards the 7-9 category
- Receive a wealth of ideas and a breadth of strategies to specifically target students who have the ability to attain a higher grade
- Take advantage of our anytime, anywhere access – all registered teachers receive the full recording and resources to watch as many times as they want, for up to 6 months

Session 1: Tuesday, 12th October 2021

3.30pm	Introductions and sound checks
3.35pm	Reasons for under-achievement <ul style="list-style-type: none"> • PE specific lessons to be learned from previous cohorts • 'Quick wins' and strategies to put in place immediately • Differences between the grade boundaries in terms of expectations
4.20pm	Comfort break
4.35pm	Lower to middle end students <ul style="list-style-type: none"> • Focus on the lower attaining students • How to facilitate a jump from grades 3-4 to 4-6 • Specific strategies with lesson ideas and common pedagogical approaches to maximising attainment
5.30pm	Session ends

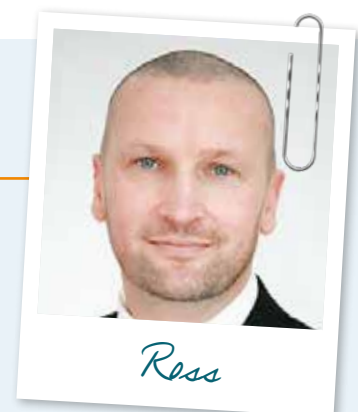

Session 2: Tuesday, 19th October 2021

3.30pm	Welcome back and sound checks
3.35pm	Focusing on the upper end <ul style="list-style-type: none"> • Strategies to boost those scoring grades 6 and 7 to 8 and 9 • Setting key pedagogical approaches for the whole department to ensure grades 8/9 are achieved • Specific lesson ideas and methods to deliver topics that focus on strategies to attain top grades
4.20pm	Comfort break
4.35pm	Using the NEA to boost (rather than hinder) attainment <ul style="list-style-type: none"> • Full proof plans for moderation to prevent downwards adjustments • Focus on the NEA Part 3 task – keeping the task specific and differentiated so that different abilities can achieve their potential
5.30pm	Workshop ends
