

## **Hodder Education Diploma coursebooks developed in cooperation with the International Baccalaureate.**

We are delighted to announce that Hodder Education has extended the range of resources they have developed in cooperation with the International Baccalaureate (IB) across the continuum of programmes.

Hodder Education have been publishing in cooperation with the IB since 2014 with our MYP by Concept 4-5 series that covers nine subject areas with print and digital support and IB Skills a series of practical, subject specific guides for students and teachers. We are pleased to now be able to extend our range of resources to cover all the programmes across the continuum, starting with our co-published subject-related coursebooks for Diploma (DP) and Career-related Programme (CP):

- [Theory of Knowledge for the IB Diploma](#)
- [Economics for the IB Diploma](#)
- [Mathematics for the IB Diploma: Analysis and approaches SL](#)
- [Mathematics for the IB Diploma: Analysis and approaches HL](#)
- [Mathematics for the IB Diploma: Applications and interpretation SL](#)
- [Mathematics for the IB Diploma: Applications and interpretation HL](#)
- [English Literature for the IB Diploma](#)
- [English Language and Literature for The IB Diploma](#)

Nicole Bien, Director of Learning and Teaching for the International Baccalaureate says, 'Resources published in cooperation with the IB align with current IB curriculum guidance, have met IB's quality-assurance process, were reviewed by experienced subject matter experts and are appropriate for IB World Schools.'

Lis Tribe, Group MD of Hodder Education says, 'At Hodder Education we work to put all teachers and students at the heart of what we do, and over the past few years we have been proud to work with the IB, whose education programmes are hugely successful because they do just that. I am delighted that we can now work together across an even wider range of programmes including the world-renowned IB Diploma.'

### **About the International Baccalaureate**

A pioneer in international education since 1968, the International Baccalaureate offers four high quality and challenging educational programmes to students aged 3-19 years old. Through a unique curriculum with high academic standards, we champion critical thinking and a flexibility for learning by crossing disciplinary, cultural and national boundaries. The IB currently engages with more than 1.95 million students in more than 5,000 schools in over 150 countries.
