

What can *Explore RE* do for you?

Following a course through *Explore RE* can help you in many different ways. As you study this course, you will see how important Religious Education is, not just to your life now, but for the future.

Explore RE can help you in...

YOUR STUDIES AT SCHOOL

Build knowledge, understanding and skills that will help to progress and achieve your best

Prepare for work and exams at GCSE, and even A-level

Develop skills that you will use in your other subjects at school

YOUR SOCIAL LIFE

Understand and appreciate other cultures

Help people from other cultures to understand you

Make friends with people from other cultures and countries

YOUR FUTURE CAREER

Show that you can communicate with many different people

Demonstrate that you understand and respect your colleagues and their beliefs

Show that you can think clearly and make sound judgements

How will *Explore RE* help you to do all this?

Explore RE you will give you the opportunity to:

- Learn about the beliefs and practices of people from different cultures in the UK and the world
- Discover how people's beliefs and practices affect their lives and the lives of people around them
- Explore different ways of looking at the world
- Discuss the meaning and purpose of life
- Think about what is right and wrong
- Learn to understand and appreciate other people's points of view
- Develop your own identity in your community and wider society
- Reflect on how humans have thought about life through history
- Form your own beliefs, attitudes and values based on good information
- Understand how to express and justify your views on religious teachings and the beliefs of others
