The Jurassic coast: extreme weather and erosion in 2012

Ian West’s website at Southampton University (http://www.southampton.ac.uk/~imw) has a great deal of information on the Jurassic coast. For example http://www.southampton.ac.uk/~imw/barteros.htm includes pictures of the Burton Bradstock cliff section and shows that rock falls occur periodically.

More information on beach closure at Lyme Regis can be found at: http://www.bbc.co.uk/news/uk-england-dorset-19255756
